

Crew Training in Columbia, SC

Rowing Facilities

- 3 miles of unobstructed flat water, 200 meters wide, 8-12 feet deep with only one bridge and a gentle curve as shown below. Our dock is 500 m below the I-20 bridge.

- 70-foot dock designed specifically for rowing with more dock space coming soon.
- Plenty of room for staging trailers and boats.
- Secure boathouse.

- Six ergometers.
- Launches for rent (rate negotiable)
- Reasonable facility fees (\$1 per day per rower)
- Welcoming local rowing club and crew team available for competitive training and scrimmages.
- No motor boats on the river except for safety/coaching launches and an occasional small fishing boat.
- Essentially exclusive use of the river by small local rowing club and its ancillary crews (Junior and USC Crew Club) means virtually no competition for dock space or water.
- Warm weather (very few days per year when you cannot row)
- Sheltered from the prevailing West to East winds.

Local Amenities:

- Four reasonably priced motels within one mile of boathouse.
- Many additional hotels and motels, including suite-type motels, within a short driving distance.
- Variety of restaurants within a few miles including fast food, local Southern family style cooking, American bistro, Mexican, Chinese, Indian and seafood, plus a wide range of restaurants in the near vicinity.
- Shopping centers, movie theaters and other entertainment nearby.
- Adjacent to the major East-West Interstate highway (I-20), near two Interstate highways (I-26, I-77) and a short drive from two additional major North-South interstates (I-85 and I-95).
- Major airport served by 6 airlines (Delta, United, USAir, Continental, Northwest, and Independence).

Logistics Assistance

- Columbia Regional Sports Council at 803-545-0009 is able to assist in arranging lodging and meals during your stay as well as any other logistical issues that might arise.
- While bathroom facilities are not available on-site, CRC is happy to arrange for one or more clean porta-johns to be on-site during your stay for a reasonable fee.
- Several hotels in the area have worked with visiting crews in the past to provide quite reasonable room rates and meals.
